Good morning,

Please see further correspondence related to this request, attached. Please also note that this letter requests a response by February 23, 2026 and—as noted in the letter—if we do not receive confirmation that the Department will produce responsive incident reports and body-worn camera footage by that date, we will interpret that as a denial of our request pursuant to 1 M.R.S. 408-A(4).

Thank you,
Anahita
